## PROFILE

Hi, I'm a **web developer** with a strong foundation in front-end technologies and a passion for creating responsive, user-focused websites. My resume highlights hands-on experience with **HTML, CSS, JavaScript, React, Next.js and Git**, along with real-world projects that demonstrate my ability to turn design concepts into functional, fast, and accessible web experiences. I bring value to your company by combining clean code, creative problem-solving, and a constant drive to learn and improve.

## PROFESSIONALEXPERIENCE
